

Music

Meet the Leader

Miss McHugh - Year 2 Teacher: Music Lead

I joined the Crossflatts family in September 2023. I began my teaching career three years ago in KS2 before moving to KSI, so I have seen the joy music can bring to children of all ages.

Music offers children the opportunity to express themselves through instruments, performance and through exploration of genres. The children at Crossflatts have a passion for Music and love to explore new skills. It is because of this that we offer the children access to playing different instruments as well as plenty of performance opportunities.

I have really enjoyed leading Music so far. I've particularly enjoyed talking to our children about their passion for music and their many talents. My role has enabled me to be a part of amazing performances such as The Young Voices Choir and Carol Concert which I have thoroughly enjoyed and I'm sure there will be many more to come!

Our Vision

Our main vision is to provide our pupils with an engaging music curriculum that builds upon their knowledge and passion for music and develops their skills throughout their learning journey. Our children will have the opportunity to develop their listening and composition skills through exposure to a variety of genres and instruments, as well as receiving lots of performance opportunities to share their work and develop their confidence.

Listen to what our children think on the video below:
