Dear Parents / Carers,

June 2024

School Milk Scheme

All school age children under 5 years old, are entitled to receive free school milk! At Wheatfields Primary School, we will automatically enrol your child into this scheme, unless you wish to opt-out. When your child reaches their 5th birthday they will stop receiving free school milk and will need to be signed up to www.coolmilk.com by yourselves, where they will ask for payment to continue to supply milk for your child.

www.coolmilk.com will give you all the information on the school milk scheme.

If you **DO NOT** wish for your child to receive the free milk under the school milk scheme until their 5th birthday, please complete and return the reply slip below, to ensure that they are not included in the automatic registration.

If you wish to opt back in at any stage, this is always possible, and children can be registered online at www.coolmilk.com or by completing a registration form available from the school office or from Reception classes.

Yours sincerely,

Mrs Emma Verney-Davies
 Headteacher
