It is set each week as part of your child's homework. Recently, we have spotted that lots of children are not logging on and practising their maths. Multiplication and the rapid recall of times tables is the basis of lots of other more complicated maths. Therefore, it is important for all year groups to keep their skills honed. Each week, a new class competition is set and classes scoring highly can earn extra play or ipad time. Please help us support your child's maths by encouraging them to play for a couple of minutes every few days. Thank you for your support.</p>

There's no specific notices for next week but please ensure your child has their PE kit in school each day. Sometimes the timetable changes and we might need to move PE. We would hate for children to miss out on their PE lesson. We send the kit home for washing at the end of each half term.</p> <p>A reminder that TTRS is part of your child's homework. We monitor their progress daily. Lots of Year 5 children play quite frequently, but some children need to log on and practise their times tables!</p> <p>Parents of the children detailed below are invited to join us in our celebration assembly on Friday 22nd March at 9:10am.
