Dear Parents and Carers

We are at the end of another extremely busy week here at Callington. This week we wanted to start by saying a MASSIVE well done to all our year 6 children this week who have completed their SATs tests. They have all worked extremely hard and we are beyond proud of them. Well done year 6!

On Wednesday, we hosted the amazing EY Maths World Tour led by International Early Years Maths consultant Karen Wilding. We really appreciate your support in our decision to close the school early to enable our staff to be part of this fantastic event. Our teachers were truly inspired and we know the learning from this training will have such a massive impact on all the children in our school.

Next week sees not one, but two residentials happening. On Tuesday, some of Year 4 are off to Treyarnon Bay and on Wednesday some of Year 6 are off to Bristol. Please keep an eye out on our Facebook page for updates and photos from both trips. We know they will all have such a fantastic time!

We hope you and your families have a wonderful weekend

Mrs Loss and Mr Fugill
